Just booked my room in DC Jan 4-7! Do we think the turnout will be similar to the million MAGA March? (media.patriots.win)

Many other pedes opted to organize together and make a road trip out of it, in a rented RV.

Either way, well done!

4 It has to be bigger to make the point we need to make. We need to try and get everyone we know to go. Share on social media, convince friends, family, coworkers. We need to make a statement with our numbers on that day!

2 Three Issues. 1) Not a weekend..2. Cold weather. 3. Last march given minimal support. Not trying to be negative, but you asked.

13 Trump summoned everyone to be there. That's going to be a factor.

2 Yea and people are broke, they're having to take care of their kids 24/7, and there's currently zero stability in the White House

-1 Not a weekend is going to be the biggest issue

2 it better be significantly bigger than the million Maga march. Otherwise, Patriots deserve all the communism and Chinese rule they're about to receive.

Get the fuck to DC on January 6.
